PURPOSE

CISO Cloud Committee (hereinafter “CCC”) is a permanent roundtable for sharing information, experiences, knowledge among Chief Information Security Officers.

Main objectives are:

- promoting and supporting CISO role through various initiatives such as: role profiling, definition of a specific training path (in particular in the Cloud Security area), analysis of its placement in corporate organizations and relative career growth path, teaching in courses/masters;
- keeping up to date with CSA research (+ 30 active working groups) and initiatives;
- sharing of experiences on cloud security journeys;
- participating in events organized by CSA (Italy and EMEA);
- carrying out peer-reviews of CSA Italy's studies and initiatives.

MEMBERS

- CCC members are appointed by Board of Directors of CSA Italy and must have a CISO (Chief Information Security Officer) role or equivalent responsibility when this role is part of other C-Level roles (CIO, CTO etc.) in companies, associations, agencies, institutions.
- CCC members cannot be part of other CSA Italy’s working group or other CSA Italy’s research initiatives.
- CCC members can appear into institutional communications of CSA Italy (i.e., web site, presentations, social media).
- CCC member qualification is given without charge, it lasts one year and is renewable.
- CCC member participation is voluntary, and the engagement modalities will be defined with the Board of Directors of CSA Italy.

- All CCC members must adhere CSA Chapter Code of Ethics ¹ and Non-Disclosure Agreement (see below).

CISO CLOUD CLUB

- CISO Cloud Club is the community of the contributors of the CCC initiatives (i.e, surveys, studies). Membership is achieved after a verified contribution to CCC initiative.
